

ANIMAL CONTROL POLES

Tomahawk Animal Control Poles provide handlers with great versatility to restrain or rescue a wide variety of animals. All of our control poles feature non-slip grips, automatic locking mechanism, spring loaded snare, protective bite guard, quick snare release knob, vinyl coated snare, and a 360 degree kink resistant swivel head. Extension poles have the added benefit of expanding when additional length is needed and retracting for storage and heavy duty use.

Stainless Steel Animal Control Poles

(Constructed from stainless steel. These are the strongest and most durable poles available.)

Model	Description	Wt	1 to 5	6+
SS4	4' Stainless Steel Pole	3.4 lbs	\$115.50	\$103.95
SS5	5' Stainless Steel Pole	4.1 lbs	\$121.00	\$108.90

For replacement parts, use standard animal control pole replacement parts.

Economy Animal Control Poles

(Have many of the features of our standard poles at more affordable prices. The major difference is that they have a less sophisticated internal locking and release mechanism than our other pole categories.)

Model	Description	Wt	1 to 5	6+
EACP4	4' Economy Animal Control Pole	3 lbs	\$55.00	\$50.00
EACP5	5' Economy Animal Control Pole	4 lbs	\$60.00	\$55.00

Dual Release Control Poles

Featuring a slide control which instantly drops the noose from the pole to release the animal. The noose is also spring loaded to allow handlers to extend the cable through the pole to release the animal. The choice is yours!

Model	Description	Wt	Price
ADR-CP3	3' Dual Release Catch Pole	2.5 lbs	\$77.65
ADR-CP4	4' Dual Release Catch Pole	3 lbs	\$84.75
